ABOUT FDP

In today's academic landscape, AI integration is essential. This FDP equips faculty, researchers, and education professionals with hands-on training in tools like **ChatGPT, Canva AI, Notion AI, SlidesAI, QuillBot, and Grammarly**.

Through expert-led sessions and live demos, participants will gain a practical AI toolkit and strategies to enhance teaching, research, and academic productivity.

Lead the transformation. Empower your classroom with AI.

OBJECTIVES

- 1 Introduce AI fundamentals and its applications in education.
- 2 Demonstrate practical tools for AI-powered teaching and research.
- 3 Train faculty on AI-based content development, assessment, and engagement.
- 4 Enable the adoption of AI in curriculum design and student evaluation.
- 5 Provide a roadmap for institutional-level AI integration in management education.

WHO SHOULD ATTEND ?

- **Faculty members** who would like to upgrade their skills and enhance teaching using AI.
- **School Teachers** who would like to upgrade their teaching pedagogy using AI.
- **Professionals and strategists** who design or frame strategies of imparting education
